## NEWSLETTER

Fifth Newsletter | October 2024

### DEAR STAKEHOLDER,

This is the 5<sup>th</sup> Newsletter of the CETA Ex-Post Evaluation project, meant to keep you updated about the progress of the study. We want to inform you about the details of the **upcoming online seminars**. Please note that the date for the seminar with stakeholders from the Netherlands has been changed, and that the date for the SME seminar (for SMEs from both the EU and Canada) has been set for 3 December 2024. See all the details on the second page of the Newsletter.

Also, we would like to remind you that the **online surveys remain available for you to fill out until 30<sup>th</sup> of November**. If you did not provide your inputs yet, please do so before the deadline. We are also happy to receive your inputs, position papers or other documents that you deem relevant for the study (to our project email: [team@ceta-evaluation.eu](mailto:team@ceta-evaluation.eu)).

### ONLINE SEMINARS – DATES & REGISTRATION LINKS

As part of our stakeholder consultations approach, we will organise nine online seminars. These **online seminars** are meant for stakeholders from *EU Member States & Canada* to express their views about the implementation of the Agreement and its impact. A special seminar will be organised for *SMEs* from both the EU and Canada. Registration is now open.

All seminars will be held via Zoom. After registration, you will get a link from Zoom to your registered email address. Via this personal link you will be able to join the seminar. Please note that each seminar has its own link. Do not share this link with others, because it is your personal link and it cannot be used by others to enter the seminar. Any stakeholder can participate in the seminar upon registration.

**IMPORTANT!** Registration will be closed 24 hours before the event. So please make sure that you register in time.

All the information regarding the seminars will be regularly updated on the project website: [www.ceta-evaluation.eu](http://www.ceta-evaluation.eu)

You can either register from our website, or from the links in this Newsletter (next page). If you have any questions, please do not hesitate to contact us at [team@ceta-evaluation.eu](mailto:team@ceta-evaluation.eu)

Please choose the seminar that you want to participate in and click on the “REGISTER HERE” button.
